

Recommended course loops for peace-related facilities and A-bombed buildings and trees

●=Exhibition facilities, etc. ●=A-bombed buildings 🌳=A-bombed trees 📌=Explanatory plaques of damage from the atomic bombing

● A-bombed trees have identification plates hung on their trunks. ※Each indicated amount of time includes the time necessary for moving from one facility to the other, for finding the A-bombed trees, and reading the explanatory plaques.

●=Docking Ports for "Peacecle" Rental Bicycles

You can rent and return a bike at any docking port, shortening your travel time by one third compared to walking. Advance registration is required.

(Other Docking Ports)
Around Hiroshima Station, Hiroshima Port, Hijiyama Park, and more.

For detailed information on registration and docking ports, please check the "Peacecle" website or contact the "Peacecle" Call Center.

(Inquiries) "Peacecle" Call Center 082-568-5760
