I hope that people all over the world
could live together peacefully without
any worry of war and conflict. I also
hope that what happened in Hiroshima serve
as a reminder that violence against humanity
only cause more problems and tragedy.

History is always important to me, not only to record what has happened in the past but also to remind us not to repeat the mistake, to be grateful for the peace we have today, to know that the innocent citizens are always the victims of war and that we all play a part to protect this peace.
