

Nov 4, 2009

May we never have a toxic
experience in the world as
we have seen in Hiroshima!!!
Our thoughts and prayers continue
to go out to the families
and survivors of this terrible
incident.

The city of Honolulu continues
to value our sister city
relationship with Hiroshima —
may our 2 cities where world war
II began and ended strive
always for a peaceful society
where mankind can live in
harmony!

Aloha!

Mayor Mufi Hannemann
Honolulu, Hawaii
