Hiroshima-Honolulu Sister City Relationship 50th Anniversary Celebration
Hiroshima Peace Memorial Museum Visit

Guest Book Message

Nov 4, 2009

May we never have a tragic experience in the world as we have seen in Hiroshima!!

Our thoughts and prayers continue to go out to the families and survivors of this terrible incident.

The City of Honolulu continues to value our sister city relationship with Hiroshima.

May our 2 cities where World War II began and ended strive always for 1 peaceful society where mankind can live in harmony.

Aloha!
