Industries and economy		Explanation	
Changes in the city		1 This publication was produced as part of the City of Hiroshima's commemorative events observing 80 years since the atomic bombing and is available online in digital (PDF) format.	
Life and culture		2 In preparing the main text and captions, the following editorial guidelines were observed:	
Chapter 3 Wartime Hiroshia	34	— As a general rule, place names and district names reflect those in use at the time discussed; current names are added where necessary.	
Chapter 4 Atomic bombing	38	— For facilities and other proper nouns, the official name in use at the time is given at first mention. Commonly used names, where applicable, are provided in parentheses, and the common name is used thereafter.	
Chapter 5 Postwar Hiroshima	46	— Honorifics for personal names have been omitted throughout the text, including the list of illustrations and the bibliography.	
Citizens' lives in the ruins		3 The contributors, photographers, and rights holders of the photographs and illustrations are listed at the end of this publication, together with reference numbers. Copying photos and sentences without permission is prohibited.	
Support from Overseas		4 A selected list of major reference works is included at the end of this publication.	
Hardship of the survivors, and support initiatives		5 All romanization in this publication is based on the Hepburn system.
